

Dear Valued Customer,

Effective June 18, 2018, ECR will be implementing new trade pricing per the attached electronic file. The pricing increases are a direct result of material cost and will vary based on the product family as noted below:

Product	Price Increase Percentages
Cast Iron Boilers	4%
Copper Boilers	2%
Condensing Boilers	1%
Electric Boilers	4%
Furnaces	3%
H2O Indirect Water Heaters	2%

Some item numbers may have changed, so please review the attached electronic file.

Electronic Copies of the price books are available by visiting the ECR International Distributor Web Portal at <https://www.ecrcustomerportal.com>. If you have not signed up for this easy and convenient approach to retrieve pricing information, as well as ability to check inventory availability, order status, account balances and many other options please contact customer service at (800) 325-5479 and they will be happy to provide you with log in and password access.

We appreciate your support of the ECR family of products. Please do not hesitate if you have any questions to contact your ECR Sales Representative.

Very Truly Yours,

Joe Langlois
