Comfort Plus Terms and Conditions

In addition to the terms and conditions of the original manufacturer's warranty period, and an installing contractors warranty of thirty (30) days on labor, the following terms and conditions will apply:

The period of this Plan is from the product installation date or eighteen months from the original date of manufacture, whichever comes first, and will continue for a total of up to (10) years, depending upon the coverage purchased.

Plan coverage for labor will begin thirty-one (31) days after product installation or fifteen (15) days following the Administrator's receipt of the Plan along with proper remittance, whichever comes last.

Plan coverage for parts will begin upon expiration of the manufacturer's warranty period. This Plan includes the manufacturer's limited warranty. Work on this product must be by a contractor authorized by the Administrator. The Plan covers residential equipment only, unless special commercial coverage is purchased.

The Plan will pay to repair and/or replace parts that fail under normal use at rates established by separate agreement. Extra charges such as mileage, diagnostics, overtime or shipping are not covered. Nuisance calls are not covered by this Plan. All labor is reimbursed at the approved rate, regardless of when the service is performed.

Additional or unusual utility bills incurred due to any malfunction or defect in equipment and labor cost of gaining access to or removal of a unit that requires special equipment or tools such as cranes, ladder trucks, etc. are not covered. Maintenance needed to keep the product in "good operating condition" is not covered. This includes, but is not limited to, cleaning, tune-ups, fuses, nozzles, pilot orifices, adjustment of customer controls and customer product education. Labor, material, expenses or equipment required to comply with laws and/or regulations imposed or set forth by any governmental agencies including, but not limited to, the storage, handling, recovery and/or recycling of refrigerants are not covered by this Plan.

To transfer ownership of this Plan, or in the event of product exchange, the customer must send written notification to the Administrator with a \$15.00 transfer fee. The original Plan period remains in effect.

To cancel this Plan, the customer should notify the dealer from whom they purchased the Plan. The dealer will refund a prorated refund from the retail purchase price based on elapsed months of coverage, less a \$15.00 cancellation fee to customer and less any claims paid under the Plan, if applicable in the state where the customer resides. The Administrator will then refund a prorated refund from the dealer's wholesale purchase price based on elapsed months of coverage, less the \$15.00 cancellation fee and less any claims paid under the Plan, if applicable in the state where the customer resides.

Any representation of this Plan other than the terms herein are not binding on ECR International, the Administrator or their agents nor shall they be liable for any incidental or consequential damages.

This Plan gives the customer specific legal rights, and they may have other rights that vary from state to state.
