

# SUPPLEMENTAL INSTRUCTIONS

This page replaces figure 24 on page 26 of the **Honda MCHP 1.2 (Type UCDJ)** Installation Manual (document number 91YM2600, part number 00X91-YM2-6000)

## 4. Wiring Connection

Use the specified electrical cables, and secure all wiring firmly to the terminal connectors. Be careful not to expose the wiring to any external force.

Any loose or unsecured wiring can cause a risk of electric shock, heat generation, or a fire.
