DANGER

Indicates a hazardous situation which, if not avoided, WILL result in death or serious injury.

PEG-E GAS-FIRED STEAM BOILERS

DANGER

Risk of carbon monoxide poisoning resulting in personal injury or loss of life.

Fuel burning equipment has a potential of producing lethal levels of Carbon Monoxide. To protect against carbon monoxide exposure, always,

1. Have your heating equipment installed by a heating professional
2. Have your heating equipment serviced annually by a heating professional
3. Install Carbon Monoxide detectors on all levels of your home

For more information pertaining to the effects and prevention of Carbon Monoxide poisoning, visit the Environmental Protection Agency website at <http://www.epa.gov/iaq/pubs/coftsht.html>, or email us at info@ecrinternational.com.

This envelope includes the following manuals:

- 240009937 PEG-E Installation, Operation & Maintenance Manual
- 240009939 PEG-E Parts Manual
- 240009879 Wiring Diagram PEG-E
- 240010431 Warranty REV D
- 1595023 Warranty Registration Card
- 240009985 Addendum, Floor Base

- Instructions Gas Valve, VR8204
- Instructions Pressuretrol PA 404A1074/B
- Instructions Conbraco - water gauge
- Instructions Electronic Low Water Cutoff, Hydrolevel
