### **⚠ DANGER**

Indicates a hazardous situation which, if not avoided, WILL result in death or serious injury.

### **Models (Series B)**

**BW9AAN000050**

**BW9AAN000075**

**BW9AAN000100**

**GAS-FIRED, DIRECT VENT,  
CONDENSING,  
HOT WATER BOILER**

### **⚠ DANGER**

Risk of carbon monoxide poisoning resulting in personal injury or loss of life.

Fuel burning equipment has a potential of producing lethal levels of Carbon Monoxide. To protect against carbon monoxide exposure, always,

1. Have your heating equipment installed by a heating professional
2. Have your heating equipment serviced annually by a heating professional
3. Install Carbon Monoxide detectors on all levels of your home

For more information pertaining to the effects and prevention of Carbon Monoxide poisoning, visit the Environmental Protection Agency website at <http://www.epa.gov/iaq/pubs/coftsht.html>, or email us at [info@ecrinternational.com](mailto:info@ecrinternational.com).
