Our Warranty
By this warranty statement ("Limited Warranty"), ECR International, Inc. ("ECR") issues limited warranties from the date of installation of the applicable Argo Boiler ("Boiler") to the Original Purchaser, subject to the terms and conditions stated below. As used in this Limited Warranty "Original Purchaser" shall mean, the end-user that purchased the new Boiler directly (a) from the Argo brand dealer; or (b) in the case of a newly constructed home, from the contractor who purchased such new Boiler directly from an ECR brand dealer or wholesaler for installation and use in the newly constructed home.

ARGO ELECTRIC WATER BOILER
(Models - Argo AT)

RESIDENTIAL 20 YEAR LIMITED WARRANTY
The following twenty (20) year limited warranty shall apply to only the Original Purchaser, at original installation site, of the Electric Water Boiler in a single or two-family residential dwelling, used without interruption by the Original Purchaser at his or her residence.

First Year - Limited Warranty for Residential Use Electric Water Boilers (Includes Heat Exchanger and Component Parts)
ECR warrants its Electric Water Boilers used in residential applications to be free from defects in material and workmanship under normal usage for a period of one (1) year from the date of original installation. In the event that any part of such Electric Water Boiler is found to be defective in material or workmanship during this one-year period, then ECR will repair or replace, at its option, the defective part. Labor charges to diagnose, troubleshoot, remove and install repaired or replaced parts are the responsibility of the Original Purchaser along with any freight charges.

Second through Twentieth Year - Limited Warranty for the Heat Exchanger of Residential Use Electric Water Boilers (Includes Heat Exchanger Only - Not Component Parts)
ECR warrants that the Heat Exchanger ("Heat Exchanger") of its Electric Water Boilers used in residential applications to be free from defects in material and workmanship under normal usage for the second year through the twentieth year from the date of original installation. In the event the Heat Exchanger is found to be defective in material or workmanship during this period, ECR will repair or replace, at its option, the defective Heat Exchanger. Labor charges to diagnose, troubleshoot, remove and install repaired or replaced parts are the responsibility of the Original Purchaser along with any freight charges.

COMMERCIAL 10 YEAR LIMITED WARRANTY
The following ten (10) year limited warranty shall apply to only the Original Purchaser, at original installation site, of the Electric Water Boiler in a three or more family dwelling or commercial business, used without interruption by the Original Purchaser.

First Year - Limited Warranty for Commercial Use Electric Water Boilers (Includes Heat Exchanger and Component Parts)
ECR warrants its Electric Water Boilers used in commercial applications to be free from defects in material and workmanship under normal usage for a period of one (1) year from the date of original installation. In the event that any part of such Electric Water Boiler is found to be defective in material or workmanship during this one-year period, then ECR will repair or replace, at its option, the defective part. Labor charges to diagnose, troubleshoot, remove and install repaired or replaced parts are the responsibility of the Original Purchaser along with any freight charges.

Second through Tenth Year - Limited Warranty for the Heat Exchanger of Commercial Use Electric Water Boilers (Includes Heat Exchanger Only - Not Component Parts)
ECR warrants that the Heat Exchanger of its Electric Water Boilers used in commercial applications to be free from defects in material and workmanship under normal usage for a period of ten (10) years from the date of original installation. In the event the Heat Exchanger is found to be defective in material or workmanship during this period, ECR will repair or replace, at its option, the defective Heat Exchanger. Labor charges to diagnose, troubleshoot, remove and install repaired or replaced parts are the responsibility of the Original Purchaser along with any freight charges.
