DANGER

Indicates a hazardous situation which, if not avoided, WILL result in death or serious injury.

UH15B

Cast Iron Gas Fired Boilers
For Forced Hot Water
With Hydrolevel Control

DANGER

Risk of carbon monoxide poisoning resulting in personal injury or loss of life.

Fuel burning equipment has a potential of producing lethal levels of Carbon Monoxide. To protect against carbon monoxide exposure, always,

1. Have your heating equipment installed by a heating professional
2. Have your heating equipment serviced annually by a heating professional
3. Install Carbon Monoxide detectors on all levels of your home

For more information pertaining to the effects and prevention of Carbon Monoxide poisoning, visit the Environmental Protection Agency website at <http://www.epa.gov/iaq/pubs/coftsht.html>, or email us at info@ecrinternational.com.

This envelope includes the following manuals:

240011107	UH 15B Installation, Operation & Maintenance Manual
240011108	UH 15B Parts Manual
240009028	UH 15B Users Manual
240010437	Warranty 15B UH
1595023	Warranty Registration Card
240009985	Addendum Floor Base
240010120	Repair Parts HL Control
240009480	Wiring Diagram Boiler w/HL Control
240011524	Special Warranty Info
Included -	69-1225-5 Honeywell Intermittent Pilot Combination Gas Controls Manual
Included -	Hydrolevel 3250-Plus LWCO literature
