Date: 06/29/2015
Product: Mono-Block Boilers
From: Marketing
Title: Product Retirement

As previously communicated in February as part of preseason announcement, ECR will end production of the following boilers on 06/30/2015:

- 95M model boilers
- Q90-125; Q90-150; Q90-175 & Q90-200 Boilers

Orders will continue to be taken until inventory is depleted. Orders will be taken on a first come first served basis and customer service will confirm availability.

Replacement parts will continue to be available to support servicing installed products.

Production of Q90-50, Q90-75 & Q90-100 series boilers will not be affected and these models will continue to be offered.

If you have any questions, please contact your Dunkirk Representative or ECR Regional Sales Manager.

Thank you,
